

Pastoral Care Policy for MACS Schools

Introduction

Pastoral care is a demonstration of profound respect for the human dignity of each person who is created in the image and likeness of God (Genesis 1: 26–27). This call to respect each person is inspired by the sacred Scriptures and brought to life by the person of Jesus Christ.

Jesus' life and teachings show all people 'the way, the truth and the life' (John 14: 6), inviting each to fullness (John 10:10). 'Throughout the Gospel, Jesus illuminates for us how we are called to live out our mission, approach our work and conduct our relationships with love, hope, dignity, compassion and forgiveness' (eXcel: Wellbeing for learning in Catholic school communities, 2018, p.4).

The Church's teachings are central to the moral, legal and mission driven responsibility of all Catholic schools to create nurturing environments where children and young people are respected, their voices heard and where they are safe and feel safe. This is particularly so for the most vulnerable children, recognising that some children and young people are more vulnerable than others, and Melbourne Archdiocese Catholic Schools Ltd (MACS) commits to providing the care and services required to support them and their families, and to ensure their safety within all Catholic schools (CECV Commitment Statement to Child Safety).

In Catholic schools, all relationships, including those with students, staff and parents/guardians/carers, are built on unconditional positive regard. Every person has a responsibility to understand the integral role they play, individually and collectively. For adults in Catholic schools, nurturing the pastoral care, wellbeing and safety of all children and young people is at the forefront of all that they do and every decision that they make.

'Pastoral care' is brought to life in Catholic school communities through the actions, interactions and attitudes of all community members. It is evident in the school's vision and mission statements, policies, procedures, curriculum, student support services and partnerships with parents, who are the first educators of their children (General Directory for Catechesis 226 & 227).

Purpose

This policy documents strategies for creating and maintaining a culture in MACS' schools which is culturally safe, and which ensures that children and young people are known, and feel safe, valued and respected. The policy articulate strategies and practices that:

- develop and enhance every student's wellbeing and sense of connectedness and belonging to their school as a faith-filled learning community
- cultivate safe, physical, emotional, mental, social and online environments that comply with relevant legislative and legal requirements
- ensure that the diverse and unique identities and experiences of Aboriginal children, young people and students are respected and valued.

Scope

This policy applies in all MACS schools, including specialist schools operated by Melbourne Archdiocese Specialist Schools Ltd (MACSS) and school boarding premises operated by MACS schools.

Principles

Pastoral care in MACS school communities:

- involves a commitment to creating safe, supportive, inclusive and hope-filled learning environments of welcome where human dignity is respected, diversity and inclusiveness are valued and authentic relationships are fostered
- nurtures the wellbeing of every child in a MACS school, 'their unique story, giftedness and temperament must be understood and valued in a way that enables love, respect, compassion, forgiveness and hope to thrive' (Horizons of Hope: Wellbeing, 2017, p.3)
- ensures that all members of the school community are responsible for creating a positive pastoral climate. Staff, students and parents/guardians/carers share responsibility for developing and maintaining open and cooperative relationships characterised by respect, trust, goodwill and a willingness to engage collaboratively. It is vital that all members of the school community work together to provide a consistent and supportive environment in which students may develop and grow towards maturity
- identifies and nurtures partnerships with appropriate services and agencies to support the pastoral care and wellbeing needs of every student
- responds to the pastoral and wellbeing needs of students and maintains appropriate confidentiality and privacy. Information is communicated, with necessary permissions, to those who have a right or a need to be informed, either legally or pastorally.
